Section 4. Special Assessments for Capital Improvements and Initial Start Up Fee. At the first such meeting called the presence of members or of proxies entitled to cast sixty (60%) percent of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Rate of Assessment. Both regular and special assessments shall be charged to all lots, with completed dwellings thereon equally. Regular and special assessments may, at the discretion of the Board of Directors, be billed and/or collected on a monthly basis. Any lots without completed units shall pay an assessment proportionate to the Association's administrative expenses and expenses in the Common Area; provided, that no lot shall pay less than fifteen (15%) percent of the full assessment. The additions to assessments provided herein shall be due and payable immediately upon accrual and collected by the Association immediately upon accrual.

The monthly assessments provided for herein shall commence as to all lots on the first day of the month following the conveyance of title. The first monthly assessment shall be prorated as to date of conveyance of title. The Board of Directors shall fix the amount of the monthly assessment against each lot at

least thirty (30) days in advance of each monthly assessment period. Written notice of the monthly assessment shall be sent to every Owner subject thereto. Section 9. Effect of Nonpayment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate of interest permitted by Florida usury laws per annum. In the event that the assessment remains unpaid after sixty (60) days, the Association may accelerate the remaining assessment installments due on the non-payment lot for the remainder of the fiscal year by providing five (5) days notice of the Association's intent to accelerate which shall make the entire remaining assessment for that fiscal year immediately due and payable to the Association and/or bring an action at law against the Owner personally obligated to pay the same, and/or file a lien, and foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his lot.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and liens for ad valorem taxes. Persons or entities other than first mortgagees acquiring liens or encumbrances or Homestead Rights provided by Florida Law on any lot after this Declaration shall have been recorded in the public records of Pinellas County shall be deemed to consent to the liens and assessments of the Association and any such subsequent lien or encumbrance or Homestead Rights shall be inferior to future liens for assessments of the Association whether or not prior consent be specifically set forth in the instruments creating such liens or encumbrances. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure by a first mortgagee or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. The assessments, charges and liens created under this Article shall not apply to the Common Area nor shall the assessments apply to land or easements dedicated to and accepted by local public authority or any land used by a utility company.

In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VIII

The liability policy contained in the paragraph shall only

provide public liability insurance for individual lot Owners for liability that is connected with the performance of Association responsibilities and obligations set forth herein and Association ownership of the Common Area. The limits of liability shall not be less than Five Hundred Thousand (\$500,000.00) Dollars per person and One Million (\$1,000,000.00) Dollars per single occurrence with respect to bodily injury and/or property damage. f) Other Insurance. Such other insurance as the Board of Directors of the Association shall determine from time to time.

Section 3. General Provisions. When appropriate and obtainable, each of the foregoing policies shall provide the following: (i) waiver by the insurer of the insurer's right of subrogation of any claims against the Directors, Officers, the Managing Agent, the Association, the individual lot Owners and/or Residential Unit Owners and their respective household members; (ii) that the policies cannot be cancelled, invalidated, or suspended on account of the conduct of any Director, Officer, or employee of the Association, or the Managing Agent without a prior demand in writing delivered to the Board of Directors of the Association to cure the defect and the allowance of a reasonable time thereafter in which the defect may be cured; (iii) that any "no other insurance" clause contained in the blanket casualty insurance policy shall expressly exclude individual lot Owners' policies from its operation; (iv) that the policies may not be cancelled or substantially modified without at least thirty (30) days prior notice in writing to the Board of Directors of the Association; and (v) that the deductible amount per occurrence on any liability insurance policy acquired by the Association shall not exceed Two Thousand Five Hundred (\$2,500.00) Dollars.

Section 4. General Requirements. In addition to any other provisions contained herein, the following requirements shall apply to all policies of insurance acquired by the Association and

certain insurance policies obtained by lot Owners; (i) all policies shall be written with a company licensed to do business in Florida and holding a rating of VI or better in the financial category as established by A.N. Section 6. Premiums. Premiums for insurance policies purchased by the Association shall be paid by the Association as a common expense, except that the amount of increase in the premium occasioned by misuse, occupancy or abandonment of the Common Area by a particular lot Owner shall be assessed against and paid by such Owner. Premiums may be financed in such a manner as the Board of Directors of the Association deems appropriate.

Section 7. Insurance Trustee; Share of Proceeds. All insurance policies obtained by the Association shall be for the benefit of the Association, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee which may be designated by the Board of Directors of the Association and which, if so appointed, shall be a bank, or trust company of Florida with trust powers, with its principal place of business in the state of Florida. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of the insurance Trustee shall be to receive such proceeds as are paid until the same are in trust for the purposes elsewhere stated herein, and for the benefit of the Association.

Section 8. Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial Owners thereof in the following manner:

Any proceeds remaining after defraying such cost shall be distributed to the Association

c) Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be paid to the Association.

Section 9. Lot Owners Personal Coverage. The insurance purchased by the Association shall not cover residential units of Owners, nor the liability claims against a lot Owner due to accidents occurring within his lot (excepting claims relating to maintenance by the Association). As a requirement to ownership of a Residential Unit, in Ashley Downs, each Residential Unit Owner shall have the obligation to maintain casualty insurance coverage

on their Residential Unit(s), and each such policy of insurance shall provide full replacement coverage, in each case.

Each Residential Unit Owner shall be required to maintain insurance, in an amount not less than 100% of the full insurable replacement cost thereof, on their own lot and all buildings thereon, inclusive of but not limited to their Unit, including all fixtures, installations, or additions comprising that part of the building. On each Residential Unit Owner's casualty insurance coverage, the Association, individually, shall be named as an additional insured and co-insured under said policy. The Residential Unit Owner acknowledges and agrees that in the event of a casualty, which results in loss, damage, or destruction, partial or otherwise, to the unit or buildings comprising the unit, the Residential Unit Owner agrees to use the insurance proceeds to rebuild the unit as far as practical to the original condition prior to any casualty. Any reconstruction, restoration, or repair must be made substantially in accordance with the plans and specifications for the original improvements and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association and then applicable building and other codes. All restoration, repair, or reconstruction shall be done promptly and each respective Unit Owner shall be individually responsible for any amount by which the cost of such repair or restoration or reconstruction exceeds the insurance proceeds available for such repair, reconstruction, or restoration. Each Residential Unit Owner agrees that any insurance policy obtained for casualty to the unit shall have a clause and policy provision which shall notify the Association thirty (30) days prior to the termination of any policy.

**AMENDMENT TO DECLARATION OF AGREEMENTS, EASEMENTS,
COVENANTS, CONDITIONS AND RESTRICTIONS
OF ASHLEY DOWNS**

The undersigned files herewith, in accordance with Florida Chapter 695, Florida Statutes, the following amendment to the Declaration of Agreements, Easements, Covenants, Conditions and Restrictions for ASHLEY DOWNS, as recorded at O.R. Book 9366, Page 1399, et seq., of the Public Records of Pinellas County, Florida.

The undersigned intends that this amendment modify and supersede the previously existing Declaration of Agreements, Easements, Covenants, Conditions and Restrictions of Ashley Downs (the "Restrictions") as follows:

WHEREAS, the Declarant is the owner of not less than seventy-five (75%) percent of the lots in ASHLEY DOWNS; and

WHEREAS, at a meeting of the Association members held in the Association offices at ASHLEY DOWNS on November 19, 1996, it having been determined that a majority of the owners being present, a motion was made and passed by no less than seventy-five (75%) percent of the lot owners adopting the Amended Restrictions as set forth in this instrument;

NOW, THEREFORE, it being duly approved, the said Restrictions are hereby modified and amended as follows:

ASHLEY DOWNS is a residential development, consisting of multi-family buildings, containing two and three story townhomes, each residence being platted on a separate lot, except in the case of duplex (2 Residential Units) buildings, which may be platted across lot lines, provided that the total number of duplex units constructed on Lots 1 through 8 in Block 5, Lots 1 through 6 in Block 6 and Lots 1 through 6 in Block 7, consisting of 20 lots, shall not exceed seven (7) duplex buildings, containing a maximum of fourteen (14) Residential Units. Additionally, the six (6) lots constituting Block 4 will be reconfigured and constructed as one five-unit building. Accordingly, some or all of the Residential Units to be constructed in Block 4 will be expanded by the Declarant, resulting in Residential Units being constructed across lot lines in the five-unit building to be constructed. The Declarant also reserves the right to build a six-plex (i.e. six (6) attached Residential Units) in Block 11, in lieu of the seven (7) attached units which could be constructed on the seven (7) lots, and to build across lot lines in Block 11, to accomplish construction of enlarged units. Upon completion, all of the units described in this provision, as actually constructed by the Declarant and/or any successor, shall be Residential Units, as defined in the Restrictions. Following initial construction of such referenced units, the same may be replaced in the event of casualty, however, the same may not be reconfigured to different dimensions by subsequent owners, absent approval as evidenced by an Amendment of these covenants and restrictions pursuant to procedures set forth in Article XI hereof.

IN ADDITION TO THE AFORESAID MODIFICATIONS, THE FOLLOWING PROVISIONS OF THE RESTRICTIONS ARE HEREBY MODIFIED AS FOLLOWS:

ARTICLE I
DEFINITIONS

Section 2. "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any Residential Unit, whether or not located within a lot, or reconfigured across lots, as hereinabove described, which is a part of the Properties, including contract sellers, but excluding those having such interest merely as security for the performance of an obligation.

Section 5. "Residential Unit" shall mean a single family residence, intended for independent ownership and use, and shall include within its terms, each living unit in a multi-family building. The residential lots upon which Residential Units may be constructed, shall be shown on the plat or plats of survey filed with such Declarations or incorporated therein by reference. Nothing herein shall preclude the Declarant from constructing units over lot lines, as hereinabove described.

ARTICLE II
PROPERTY RIGHTS

Section 8. Easements for Utilities, Etc.

The second paragraph of this section is amended as follows:

Each Residential Unit shall have an easement on the common areas and the adjoining lot(s) upon which the companion portion of the multi-family building is located, for the purpose of allowing minor building encroachments on such common areas and the adjoining lot(s).

Section 9. Drainage. Each Owner shall have a drainage easement across each and every other Owner's property for the natural flow of rainwater run-off and no structure, digging or other activity conducted by an Owner may interfere with said drainage easement. Nothing shall be done by any Owner to affect existing swales or to affect or block any area designated for drainage.

ARTICLE III
EXTERIOR MAINTENANCE

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the Residential Units upon the properties and separates attached Residential Units shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions, shall apply thereto.

ARTICLE V
MEMBERSHIP VOTING RIGHTS AND POWERS

Section 1. Every Owner of a Residential Unit that is subject to an assessment is bound to and hereby agrees that he shall accept membership in the ASHLEY DOWNS HOMEOWNERS ASSOCIATION and does hereby agree to be bound by this Declaration, the Articles of Incorporation and the By-Laws of the Association and the rules and regulations enacted pursuant thereto. Membership is automatic upon acquisition of ownership of a Residential Unit, and may not be transferred apart and separate from a transfer of the ownership of the Residential Unit. Membership shall not run to persons who hold an interest in a Residential Unit merely as security for performance of an obligation.

Section 2. The Association shall have two classes of voting membership:

CLASS A. Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Residential Unit owned. When more than one person holds an interest in any Residential Unit, all such persons shall be members. The vote for such Residential Unit shall be exercised as they determine pursuant to provisions for voting in the By-Laws of the Association but in no event shall more than one vote be cast with respect to any Residential Unit.

CLASS B. The Class B members shall be the Declarant and shall be entitled to three (3) votes for each Residential Unit owned. The Class B membership shall cease and be converted to Class A membership in the happening of either of the following event, whichever occurs earlier:

- (a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or
- (b) Five years following conveyance of the first Residential Unit.

ARTICLE VI
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Residential Unit owned within the Properties, hereby covenants, and each Owner of any Residential Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: 1) monthly assessments or charges; 2) additional assessments as provided by the Articles herein; 3) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and 4) special reconstruction assessments as provided herein. The monthly assessment, additions to assessments and all special assessments, together with interest, costs, and reasonable attorneys fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made and shall be a lien in favor of the Association for the benefit of all Residential Unit Owners. Each such assessment, together with interest, costs, and reasonable attorneys fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Residential Unit to an Owner, the maximum monthly assessment, excluding additions thereto as provided herein, shall be \$95.00 for each Residential Unit, excluding Residential Units in duplex buildings, and excluded units in Blocks 4 and 11, which shall be \$105.00 per Residential Unit.

- a) From and after January 1 of the year immediately following the conveyance of the first Residential Unit to an Owner, the maximum monthly assessment, excluding additions thereto as provided herein, may be increased each year not more than fifteen (15%) percent above the maximum assessment for the previous year without a vote of the membership.
- b) From and after January 1 of the year immediately following the conveyance of the first Residential Unit to an Owner, the maximum monthly assessment, excluding additions thereto as provided herein, may be increased above fifteen (15%) percent by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

c) The Board of Directors may fix the monthly assessment at an amount not in excess of the maximum.

Section 5. Special Reconstruction Assessments. In addition to the assessments provided in Sections 3 and 4, the Association by majority vote of the Board of Directors may levy a special reconstruction assessment on the affected Residential Unit Owners applicable to that year only for the purpose of defraying in whole or in part, the cost not covered by insurance or otherwise allocated in Article VIII for reconstruction and repair of the improvements of the Residential Units, provided that the Residential Unit Owners have not voted against reconstruction.

Section 7. Rate of Assessment. Both regular and special assessments shall be charged to all Residential Units, such that typical Residential Units shall be assessed at the rate of 90% of the assessment of duplex Residential Units and Residential Units located in Blocks 4 and 11 (i.e. regular sized units shall be charged at 90% of the rate charged to expanded and duplex units). Regular and special assessments may, at the discretion of the Board of Directors, be billed and/or collected on a monthly basis. Any lots without completed units shall pay an assessment proportionate to the Association's administrative expenses and expenses in the Common Area; provided, that no lot shall pay less than fifteen (15%) percent of the full assessment. The additions to assessments provided herein shall be due and payable immediately upon accrual and collected by the Association immediately upon accrual.

Section 8. Date of Commencement of Annual Assessments; Due Dates. The monthly assessments provided for herein shall commence as to all Residential Units and/or lots on the first day of the month following the conveyance of title. Where units are constructed, leaving excess portions of platted lots, such as in the case of the duplex Residential Units, maintenance shall not be charged on the portions of the lots not incorporated into the construction of Residential Units. The first monthly assessment shall be pro-rated as to date of conveyance of title. The Board of Directors shall fix the amount of the monthly assessment against each lot and/or Residential Unit at least thirty (30) days in advance of each monthly assessment period. Written notice of the monthly assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot and/or Residential Unit have been paid. A properly executed certificate of the Association as to the status of assessments on a lot and/or Residential Unit is binding upon the Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate of interest permitted by Florida usury laws per annum. In the event that the assessment remains unpaid after sixty (60) days, the Association may accelerate the remaining assessment installments due on the non-payment lot and/or Residential Unit for the remainder of the fiscal year by providing five (5) days notice of the Association's intent to accelerate which shall make the entire remaining assessment for that fiscal year immediately due and payable to the Association and/or bring an action at law against the Owner personally obligated to pay the same, and/or file a lien, and foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his lot and/or Residential Unit.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and liens for ad valorem taxes. Persons or entities other than first mortgagees acquiring liens or encumbrances or Homestead Rights provided by Florida Law on any lot

and/or Residential Unit after this Declaration shall have been recorded in the public records of Pinellas County shall be deemed to consent to the liens and assessments of the Association and any such subsequent lien or encumbrance or Homestead Rights shall be inferior to future liens for assessments of the Association whether or not prior consent be specifically set forth in the instruments creating such liens or encumbrances. Sale or transfer of any lot and/or Residential Unit shall not affect the assessment lien. However, the sale or transfer of any lot and/or Residential Unit pursuant to mortgage foreclosure by a first mortgagee or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot and/or Residential Unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. The assessments, charges and liens created under this Article shall not apply to the Common Area nor shall the assessments apply to land or easements dedicated to and accepted by local public authority or any land used by a utility company. Fractional portions of lots deeded to the Association such as portions of lots not required for construction of duplex units, shall become common area upon receipt of the title to same by the Association.

ARTICLE VIII INSURANCE

Section 1. Purchase, Custody and Payment. All insurance policies described herein covering portions of the Properties, and/or liabilities or responsibilities of the Association shall be purchased by the Association. The named insured shall be the Association, individually, and as agent for owners of lots and/or Residential Units covered by the policy. All policies shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee, if an Insurance Trustee is appointed by the Board of Directors pursuant to the provisions of this Article, and all policies and endorsements thereto shall be deposited with the Insurance Trustee, if an Insurance Trustee is appointed by the Board of Directors. In all other insurance, payments shall be made to the Association, and policies and endorsements shall be held by the Association. One copy of each insurance policy, or a certificate evidencing such policy and all endorsements thereto, shall be furnished by the Association upon request to each institutional first mortgagee who holds a mortgage upon a lot and/or Residential Unit covered by the policy or policies. Copies of certifications also shall be furnished, upon request, not less than ten (10) days prior to the beginning of the term of the policy, or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate. Residential Unit Owners shall insure the Residential Units, for full replacement value. Residential Unit Owners may obtain insurance coverage at their own expense, and at their own discretion upon the property lying within the Residential Units (the "Personal Property"), including, but not limited to, their personal property and for their personal liability and living expense and for any other risk not otherwise insured in accordance with this Article. **NOTE: RESIDENTIAL UNIT OWNERS ARE REQUIRED TO OBTAIN AND PAY FOR CASUALTY INSURANCE COVERING THEIR OWN RESIDENTIAL UNIT(S), FOR FULL REPLACEMENT COVERAGE. INSURANCE COVERAGE DESCRIBED ABOVE, TO BE PAID FOR BY THE ASSOCIATION, RELATES TO COMMON AREA INSURANCE ONLY AND DOES NOT COVER INDIVIDUAL RESIDENTIAL UNITS, NOR DOES IT COVER UNIT OWNERS' PERSONAL PROPERTY/PERSONAL LIABILITY.**

Section 2.

b) Liability. General comprehensive liability insurance, insuring the Association, against liability to and claims of the public, a member of the Association and any other person with respect to liability incurred upon

the Common Areas, the individual lots and/or Residential Units based upon or arising out of the Association ownership, or use of the Common Area and the performance of the Association's responsibilities and obligations set forth herein. The liability policy contained in the paragraph shall only provide public liability insurance for individual lot/Residential Unit Owners for liability that is connected with the performance of Association responsibilities and obligations set forth herein and Association ownership of the Common Area. The limits of liability shall not be less than Five Hundred Thousand (\$500,000.00) Dollars per person and One Million (\$1,000,000.00) Dollars per single occurrence with respect to bodily injury and/or property damage. Such coverage shall include but not be limited to protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others, and, if applicable: host liquor liability and such other risks as shall customarily be covered for projects similar in construction, location and use.

Section 3. General Provisions. When appropriate and obtainable, each of the foregoing policies shall provide the following: (i) waiver by the insurer of the insurer's right of subrogation of any claims against the Directors, Officers, the Managing Agent, the Association, the individual lot Owners and/or Residential Unit Owners and their respective household members; (ii) that the policies cannot be cancelled, invalidated, or suspended on account of the conduct of any Director, Officer, or employee of the Association, or the Managing Agent without a prior demand in writing delivered to the Board of Directors of the Association to cure the defect and the allowance of a reasonable time thereafter in which the defect may be cured; (iii) that any "no other insurance" clause contained in the blanket casualty insurance policy shall expressly exclude individual lot/Residential Unit Owners' policies from its operation; (iv) that the policies may not be cancelled or substantially modified without at least thirty (30) days prior notice in writing to the Board of Directors of the Association; and (v) that the deductible amount per occurrence on any liability insurance policy acquired by the Association shall not exceed Two Thousand Five Hundred (\$2,500.00) Dollars.

Section 4. General Requirements. In addition to any other provisions contained herein, the following requirements shall apply to all policies of insurance acquired by the Association and certain insurance policies obtained by lot/Residential Unit Owners; (i) all policies shall be written with a company licensed to do business in Florida and holding a rating of VI or better in the financial category as established by A.N. Best Company, Inc., if available, and if not available, the best rating available; and (ii) all public liability and officers and directors liability insurance shall contain a cross-liability endorsement.

Section 6. Premiums. Premiums for insurance policies purchased by the Association shall be paid by the Association as a common expense, except that the amount of increase in the premium occasioned by misuse, occupancy or abandonment of the Common Area by a particular lot/Residential Unit Owner shall be assessed against and paid by such Owner. This shall not apply to excess lot areas not incorporated into the construction of Residential Units which are conveyed to the Association. Premiums may be financed in such a manner as the Board of Directors of the Association deems appropriate.

Section 9. Lot Owners Personal Coverage. The insurance purchased by the Association shall not cover residential units and/or the lots of Owners, nor their personal property, nor the liability claims against a lot/Residential Unit Owner due to accidents occurring within his lot/Residential Unit (excepting claims relating to maintenance by the Association). As a requirement to ownership of a Residential Unit, in Ashley Downs,

each Residential Unit Owner shall have the obligation to maintain casualty insurance coverage on their Residential Unit(s), and each such policy of insurance shall provide full replacement coverage, in each case.

Each Residential Unit Owner shall be required to maintain insurance, in an amount not less than 100% of the full insurable replacement cost thereof, on their own property and all buildings thereon, inclusive of but not limited to their Residential Unit, including all fixtures, installations, or additions comprising that part of the building. On each Residential Unit Owner's casualty insurance coverage, the Association, individually, shall be named as an additional insured and co-insured under said policy. The Residential Unit Owner acknowledges and agrees that in the event of a casualty, which results in loss, damage, or destruction, partial or otherwise, to the Residential Unit or buildings comprising the Residential Unit, the Residential Unit Owner agrees to use the insurance proceeds to rebuild the Residential Unit as far as practical to the original condition prior to any casualty. Any reconstruction, restoration, or repair must be made substantially in accordance with the plans and specifications for the original improvements and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association and then applicable building and other codes. All restoration, repair, or reconstruction shall be done promptly and each respective Residential Unit Owner shall be individually responsible for any amount by which the cost of such repair or restoration or reconstruction exceeds the insurance proceeds available for such repair, reconstruction, or restoration. Each Residential Unit Owner agrees that any insurance policy obtained for casualty to the Residential Unit shall have a clause and policy provision which shall notify the Association thirty (30) days prior to the termination of any policy.

The Association shall not carry insurance coverage for casualty to Owner's real property and/or personal property; and shall not be responsible to Residential Unit Owners to obtain insurance coverage upon the property lying within the boundaries of their Residential Unit, including but not limited to, their personal property, and for their personal liability and living expense, and for any other risks not otherwise insured as described above by the Association.

ARTICLE IX

ADDITIONAL POWERS, RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

Section 2. Maintenance. The Association shall maintain and keep in good repair the exterior of the buildings, including the buildings in which the Residential Units are located, as well as the Common Areas and those portions of individual lots, if any, for which the Association is responsible and for this purpose may levy assessments described herein. The roads, water lines, sanitary sewer facilities (including lift stations) beyond the boundaries of the lots, and storm drainage facilities within the Properties are private. They are not dedicated to the public. Therefore, the cost and responsibility of their maintenance will be borne by the Association.

Section 3. The Association shall have a reasonable right of entry upon any lot and into any Residential Unit to make emergency repairs.

Section 5. Damage to Common Properties, and/or Residential Units. In the event the Board of Directors of the Association determines by a two-thirds (2/3) vote that any Owner has failed or refused to discharge properly his obligations with respect to the maintenance, repair or replacement of any items for which an Owner is responsible as provided herein or finds that any Owner is responsible for damage to the Common Area that is not covered by insurance, the Association shall give the Owner written notice by certified mail, postage prepaid, return receipt requested, of the

Association's intent to provide the necessary maintenance, repair or replacement at the Owner's sole cost and expense, which notice shall set forth with particularly the maintenance, repairs and replacement deemed necessary. The Owner shall have fifteen (15) days from the date of mailing the notice to complete the maintenance, repair or replacement in a manner acceptable to the Board of Directors or appear before the Board to contest its determination. If the Owner fails in this obligation, the Association may provide such maintenance, repair and replacement at the Owner's sole cost and expense and the cost shall be added to and become part of the assessment for which the Owner is responsible, said additional assessment becoming due and payable immediately upon the assessment's accrual and shall become a lien against the lot and/or Residential Unit of the Owner enforceable by the Association, plus all costs of collection, including a reasonable attorneys fee.

ARTICLE X

Such vehicles, when promoting commercial advertising on the exterior, with lettering, signage, etc., shall be deemed vehicles being used for commercial purposes, and shall be prohibited, except if parked within enclosed garages. No motor vehicles, bicycles, etc., shall be parked on any portion of an Owner's property or the Common Areas, except for designated parking spaces. Parking on unpaved portions of the property is prohibited. Parking on the street is prohibited.

Maximum weight of any dog kept within the subdivision shall not exceed 25 pounds. All pet droppings must be picked up and removed immediately.

Section 8. Rubbish. No weeds, rubbish, debris, objects or materials of any kind shall be placed or permitted to accumulate upon any lot, or outside of a Residential Unit within the Properties if it renders the property unsanitary, unsightly, offensive or detrimental to any other property in the vicinity. Trash, garbage, rubbish and other waste shall be kept only in covered sanitary containers. All service yards or service areas, sanitary containers and storage piles on any lot or adjoining any Residential Unit within the Properties shall be enclosed or fenced in such a manner that the yards, areas, containers and piles will be not visible from any neighboring property or street. Covered sanitary containers and bundles of trash may be set out for a reasonable period of time before and after scheduled trash pick-up times. Empty containers shall be quickly returned to the storage area when emptied.

Section 10. Ancillary Equipment. All oil tanks, bottle tanks, soft water tanks, pumps, condensers, wood piles or other ancillary equipment shall be suitably screened so as not to be visible from the street or any adjacent or nearby lots, and/or Residential Units.

Section 11. Additional Improvements. Additional improvements to a Residential Unit after conveyance by Declarant, including such things as screening and improving the patio, shall be undertaken only pursuant to Association approval.

Section 13. Antennas. No outside television or other type antennas shall be installed, including "dish" satellite systems and Ham radio or other antenna systems.

Section 14. Parking Restrictions. Vehicles shall be parked and stored in garages located within the Residential Units, except in designated parking areas and in drives adjoining Residential Units, so as not to block adjoining Residential Units. Overnight parking in the streets located within the common areas of ASHLEY DOWNS is prohibited. No vehicle shall be parked by a lot/Residential Unit Owner, their guests, invitees, etc. at anytime which shall prohibit vehicular access to other lots/Residential Units and drives in ASHLEY DOWNS. No vehicle shall be allowed in any of the common areas of ASHLEY DOWNS, except paved streets, drives, and designated parking locations. Any parking in the approved common areas is limited to temporary parking only.
