

ASHLEY DOWNS

REQUIREMENT FOR GARBAGE/RECYCLING CAN SCREENING

TO: All Property Owners & Tenants

All "garbage/recycling receptacles" must be always stored in your garages out of public view on non-collection days. They cannot be put out until 5 PM on the day prior to collection and they need to be removed the following evening.

DAYS WHEN THERE SHOULD BE ABSOLUTELY NO GARBAGE OR RECYCLING RECEPTICLES OUT ARE: FRIDAY-SATURDAY-SUNDAY

THANK YOU EVERYBODY. Let's continue to make a positive change at **ASHLEY DOWNS** and keep our community looking beautiful.
